Subject : Unacceptable business practices in your town.

I hope your morning is far better than mine.

This is an email requesting information on what EXACTLY you intend to do about the restaraunt in your town wearing shirts calling for the assassination of President Trump.

The shirts say 86 45. Or as Im certain you are aware. This is slang for murder the 45th President.

I expect a prompt response with a step by step plan on how you will correct this and hold those responsible to account for their actions.

Thank You!
